The above entries are as notified to the monitoring office as of Monday 24<sup>th</sup> December 2018 subject to the additional interests notified as stated in brackets.

*The Monitoring Officer granted a dispensation on 20th November 2016, in respect of the Land Ownership Category, for the purpose of the Local Plan Committee meeting of the same date, because the land was referred to within the report appendices as factual information that planning permission had been granted. The land however, was not the item of business on the agenda and the debate and decisions would not impact on the DPI.*
