It allocates the homes and jobs required for the plan period outside of the garden communities. It provides place shaping policies to guide development, to ensure the District's natural and built assets are enhanced and protected, communities are well connected and that design promotes healthy living, adaptability of homes and safety from flood risk. Whilst there are some alterations to Section 2 these do not raise issues on which Braintree District seeks to make comment. No comments are proposed in respect of Section 2.
