1007301	LPPuD22	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective; Positively prepared	No	Policy LP9: Travellers outlines TDC's approach to the provision of traveller pitches. The policy includes criteria against which TDC will assess proposals for any new traveller sites or pitches. Criterion b) states that "sites must have reasonable access to key facilities (normally 1.5 miles/2.4km on foot or 15 miles/24km by public transport to primary schools, doctors' surgeries and convenience shops, 2 miles/3.2km on foot or 20 miles/32km by public transport to secondary schools and major employment);"	Change Policy LP9 by removing the stated distances (foot and public transport) as there is no evidence or rationale for their inclusion.	Yes	Yes	To ensure the change is made and represent ECC as Local Education Authority on this matter.	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?					Policy LP 9			
1007301	LPPuD23	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	No	The approach as outlined in Policy Di1 is broadly supported, however reference should be made to the consideration of introducing a Community Infrastructure Levy (CIL), as included in the ECC response at Preferred Options stage. This would also ensure consistency with the Draft Plan where it refers to CIL and the TDC Infrastructure Delivery Plan where CIL is included as a possible funding source.	Include the following text within Policy DI1 as follows: The Council may consider introducing a CIL and may implement such for areas and/or development types where a viable charging schedule would best mitigate the impacts of growth. Section 106 will remain the appropriate mechanism for securing land and works along with financial contributions where a sum for the necessary infrastructure is not secured via CIL. For the	Yes	Yes	To ensure the change is made and represent ECC as a major infrastructure provider.	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The Council does not yet have a CIL charging schedule in place and having regard to the viability evidence base, parts of the District would have a £0 charge. Paragraph 10.1.7 refers to Essex County Council and paragraph 10.1.9 considers S106 and	No		Delivering Infrastructure		Policy DI1		

1007301	LPPuD24	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	The amendment is required to provide to strengthen the links with local landscape character within the policy itself.	Change wording for parts c) and e) as follows: c. the development respects or enhances local landscape character, views, skylines, landmarks, existing street patterns, open spaces and other locally important features; e. boundary treatments and hard and soft landscaping are designed as an integral part of the development reflecting the function and character of the development and its surroundings. The Council will encourage the use	No	No		No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The local plan is to be read as a whole and landscape character is considered under Policy PPL 3. If hedging is considered to be a suitable boundary treatment, consideration will be given to the proposed species at the planning application stage. Locally	No	Sustainable Places	Policy SPL 3	
1007301	LPPuD25	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	The amendment is required to include reference to "blue" infrastructure as well as "green". Policy PPL1 has been revised since the Preferred Options stage so comments reflected the Publication Draft Plan version of the policy.	Change Policy PPL1, second paragraph to read as follows: All major development proposals should consider the potential for new well designed Blue and Green Infrastructure to help mitigate potential flood risk and include such Infrastructure, where appropriate.	Yes	Yes	To ensure the change is made and represent ECC as Lead Local Flood Authority.	No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The Local Plan is to be read as a whole and this issue is also covered elsewhere. Paragraph 4.3.1 states that Green Infrastructure "includes blue infrastructure" comprising watercourses and wetlands.	No	Protected Places	Policy PPL 1	
1007301	LPPuD26	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	The amendment is required to refer to the inclusion of other non-designated heritage assets as identified through the planning process in compliance with the NPPF.	Change Policy PPL3 to include the protection of both designated and non-designated heritages assets (sites, features, landscapes etc).	No	No		No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Policy PPL 3 already covers both designated (AONB and Registered Parks and Gardens) and non-designated assets in the rural landscape.	No	Protected Places	Policy PPL 3	

1007301	LPPuD27	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	The amendment is required to ensure greater compliance with the NPPF.	“Proposals for new development which would affect, or might affect, archaeological remains will only be permitted where accompanied by an appropriate desk-based assessment and evaluation results. Where identified as necessary within that desk-based assessment, a written scheme of investigation detailing a programme of excavation, recording or protection, and post excavation work, including publication and	No	No	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The policy does not require additional wording to be NPPF compliant.	No	Protected Places	Policy PPL 7	██████████ ██████████ ██████████
1007301	LPPuD28	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	The amendment is required to strengthen the policy by including reference to trees given that these are afforded some protection in through the legislation.	Change Policy PPL8 as follows: d. the importance of spaces and trees to the character and appearance; and	No	No	No		When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Consideration is already given to trees in criteria c. hard and soft landscaping. The legal protection afforded to trees in conservation areas is to enable a Tree Preservation Order to be served, if necessary. The plan should be read as a whole and Policy SPL 3 criteria d. 1007301	LPPuD32	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The amendment is required to provide an accurate picture of education needs in the district based on the most up to date evidence. This request was also previously made at the Preferred Options stage but has still not been included.	Replace the existing paragraph as follows: 3.1.3.4 In 2016 there were 10,111 primary and 7,067 secondary pupils on roll in Tendring's schools. The 6 schools providing sixth-form education had a further 1,239 pupils over the age of 16.	No	No	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Support update to text.	Yes	Sustainable Places	To update text, amend paragraph 3.1.3.4: In 2013 Å 2016 there were 9,318 10,111 primary and 8,608 Å 7,067 secondary pupils on roll in Tendring's schools. The 6 schools providing sixth-form education had a further 1,307 1,239 pupils over the age of	3.1.3.4	

1007301	LPPuD33	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The amendment is required to provide an accurate picture of education needs in the district based on the most up to date evidence. This request was also previously made at the Preferred Options stage but has still not been included.	Replace the existing paragraph as follows: 3.1.3.5 Primary school numbers, as forecast in the ECC document "Commissioning School Places in Essex 2016-2021", are set to rise in the five year period to 10,214, excluding the impact of additional housing. There are currently 10,242 places available, including 212 in temporary accommodation, and thereby plans to increase provision in the District are being progressed.	No	No	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Support update to text	Yes	Sustainable Places	To update paragraph 3.1.3.5 amend text: Primary school numbers, as forecast in the ECC document "Commissioning School Places in Essex 2016-2021", are set to rise in the five year period to 9,928 & 10,214, excluding the impact of additional housing.	3.1.3.5	
1007301	LPPuD34	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The amendment is required to provide an accurate picture of education needs in the district based on the most up to date evidence. This request was also previously made at the Preferred Options stage but has still not been included.	Replace the existing paragraph as follows: 3.1.3.6 Overall pupil numbers in secondary schools in Tendring (11-19 age range) are predicted to increase during the period 2016/21 to 8,886, excluding the impact of new housing. The forecast growth in demand is particularly acute in Clacton On Sea where a range of options to expand existing schools are being considered. Essex County Council and Tendring District Council will cooperate to facilitate this	No	No	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Support update to text	Yes		To update paragraph 3.1.3.6: Overall pupil numbers in secondary schools in Clacton are predicted to decline in the period 2013/18 to 8,000. However, demand for year 7 places in Clacton is forecast to increase from 2017/2018 onwards to 8,395 once pupils from	3.1.3.6	
1007301	LPPuD35	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The amendment is required clarify that the three parks are designated by English Heritage. There will be other historic parks and gardens of significance but not benefitting from formal designation i.e. non-designated heritage assets.	Change paragraph 3.1.5.1 to clarify that these are the three parks designated as such by English Heritage as there will be other historic parks and gardens of significance but not benefitting from formal designation i.e. non-designated heritage assets.	No	No	No		When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The paragraph is a brief summary/overview. Appendix Table D.3 lists the 3 Historic Parks and Gardens referred to.	No			3.1.5.1	

1007301	LPPuD36	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The amendment is required to state that these are the notable heritage assets. There will be others that are non-designated such as buildings, monuments, sites, places, areas or landscapes (parks and gardens).	Change paragraph 3.1.5.3 to clarify that these are the designated heritage assets.	No	No	No	No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	This text is to give a brief flavour of some of the more notable heritage assets in the district. Designated and non-designated heritage assets are considered in the Protected Places chapter.	No			3.1.5.3		
1007301	LPPuD37	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The amendment is required to ensure a Health Impact Assessment (HIA) is a requirement for both residential and non-residential development. This would align the policy with requirements outlined in the Braintree and Colchester Local Plans.	Change Policy HC1 Part e) to incorporate HIA for non-residential developments with an appropriate threshold.	Yes	Yes	To ensure the change is made and represent ECC in its role as Public Health.	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The requested additional reference, to include commercial development of 1000sq.m or more, to accord with the Essex Planning Officers Association guidance referred to in the policy, would be supported.	Yes	Healthy Places	To correct error of omission and accord with EPOA Guidance (March 2008) add reference in Policy HP 1 e.Â to commercial floorspace: IMPROVING HEALTH AND WELLBEING The Council will work to improve the health and wellbeing of residents in Tendring	Policy HP 1	

1007301	LPPuD38	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	Table LP2 lists the Local Plan housing allocations (sites with 10 or more homes). There is an inconsistency between the total housing numbers and phasing indicated in Table LP2 and the housing numbers contained in the site specific policies in Chapter 9 of the Draft Plan. Table LP2 states Hartley Garden Village will provide 600 homes between 2027-2033, whereas Policy SAMU2 in Chapter 9 states 800-1,000 new homes will be provided up to 2033. Consistency is required as there is a direct impact on education provision and when new schools (or other infrastructure) may need to come forward. Table LP2 also indicates that none of the named allocations appear to commence prior to 2023. If a significant proportion of the permitted development and windfalls, now relied upon during the first five years, is Planning proposals must also protect those other historic parks, gardens and landscapes which are identified through the planning process. It is not limited to Registered Parks and Gardens. This is in compliance with the NPPF.	A review of the housing numbers and phasing in Table LP2 and the housing numbers listed in Chapter 9 is required to ensure consistency between these two sections of the Draft Plan to demonstrate effective delivery, including supporting infrastructure. There are four three inconsistencies: 1. Table LP2 states Hartley Garden Village (Clacton) will provide 600 homes between 2027-2033, whereas Policy SAMU2 Change this section of the Draft Plan by including additional explanatory text under Paragraph 7.4 stating the protection of both designated and non-designated sites, features, landscapes in accordance with the NPPF.	No	No	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?				5.1.10	
1007301	LPPuD39	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	Planning proposals must also protect those other historic parks, gardens and landscapes which are identified through the planning process. It is not limited to Registered Parks and Gardens. This is in compliance with the NPPF.	Change this section of the Draft Plan by including additional explanatory text under Paragraph 7.4 stating the protection of both designated and non-designated sites, features, landscapes in accordance with the NPPF.	No	No	No		When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Paragraph 7.3.2 highlights that proposals within the rural landscape should protect and re-inforce historic landscape features and important characteristics identified within it. The Local Plan should be read as a whole and Policy SPL 3 d. requires new	No	Protected Places	7.3.5	

1007301	LPPuD40	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	The full name of the "Habitats Regulations" should be "The Conservation of Habitats and Species Regulations 2010".	Change reference from the "Habitats Regulations" to "The Conservation of Habitats and Species Regulations 2010".	No	No	No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The Local Plan chapters "signposts" relevant legislation. It is not necessary to amplify this by including the legislation's full title (including any amendments).	No	Protected Places	This extra wording will amplify the approach to sustainable transport and explain more fully linkages to the Essex Local Transport Plan (LTP). 8.1.3 The Essex Transport Strategy (2011) is the Local Transport Plan (LTP) and includes Tendring District within the	7.4.2	
1007301	LPPuD41	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The amendment strengthens linkages to the Essex Local Transport Plan (LTP).	Include the following text after paragraph 8.1.3. The LTP is supported by a suite of more specific documents including the Bus Strategy, the Cycling Strategy, the Sustainable Modes of Travel Strategy, and implementation plans that are also periodically updated by Essex County Council.	No	No	No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Additional wording would be supported to advise that the LTP is supported by a suite of documents including: Bus Strategy; Cycling Strategy; Sustainable Modes of Travel Strategy; and implementation plans, as updated periodically by Essex County	Yes	Connected Places	This extra wording will amplify the approach to sustainable transport and explain more fully linkages to the Essex Local Transport Plan (LTP). 8.1.3 The Essex Transport Strategy (2011) is the Local Transport Plan (LTP) and includes Tendring District within the	8.1.3	

1007301	LPPuD42	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	It would be beneficial to reference the Essex Cycling Strategy and that cycling infrastructure will be provided in accordance with this.	Change paragraph so the following is inserted as the last sentence to read as follows: The Essex Cycling Strategy will be used as a guide to ensure the provision of appropriate cycling infrastructure.	No	No	No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Adding a reference to The Essex Cycling Strategy would be supported.	Yes	Connected Places	The addition is a helpful reference to: 8.1.8 Cycling and walking should also be seen as transport modes in their own right and an integral part of the transport network. Increasing the options for travelling by those modes can benefit both the environment and public	8.1.8	
1007301	LPPuD43	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Effective	Yes	The statement that "thereby preventing traffic congestion which would otherwise occur" is over promising what may well be the case in reality.	Change paragraph 8.2.4 to read as follows: "... thereby helping to ease traffic congestion that otherwise would occur".	No	No	No	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	Adding additional wording: "... or easing ..." will better reflect what may be the case in reality and would be supported.	Yes	Connected Places	Adding "... or easing ..." will better reflect what may be the case in reality and would therefore be supported: 8.2.4 Major growth areas in West Tendring/East Colchester and Clacton will require new strategic highway infrastructure, which will not only serve	8.2.4	
1007301	LPPuD44	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	Policy SAMU2 states 800-1,000 new homes will be provided up to 2033. Table LP2 states Hartley Garden Village (detailed in SAMU2) will provide 600 homes between 2027-2033. Consistency is required as there is a direct impact on education provision and when new schools may need to come forward.	Review housing numbers across Policy SAMU2 and Table LP2 to ensure consistency and amend accordingly.	Yes	Yes	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?			Policy SAMU2		

1007301	LPPuD45	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	Policy SAMU3 states at least 500 new homes will be provided up to 2033. 1007301	LPPuD57	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	This representation provides a context to the other representations made by ECC to the Publication Draft Local Plan. The North Essex Authorities (Braintree, Colchester and Tendring) have worked collaboratively throughout the preparation of Section 1 and 2 of each Local Plan. ECC is a signatory to the "Memorandum of Co-operation: Collaboration on Strategic Priorities in North and Central Essex", which has enabled the joint working on cross-boundary strategic priorities and matters through North Essex districts, and Chelmsford City Council. This has covered matters regarding ECC's role as Minerals and Waste Planning Authority, Local Education Authority, Highway Authority, Lead Local Flood Authority and lead advisors on Public Health. This has also included collaborative work in	In responding to this consultation, ECC has ensured its representations and ongoing engagement with all three authorities has addressed the ECC's areas of responsibility consistent with national policy to enable sustainable development. The ECC response to each Draft Publication Plan recommends several areas where clarification is sought to enable effective delivery and amendments to improve policy and explanatory text. ECC will	Yes	Yes	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The comments are noted	No	Introduction	1		
1007301	LPPuD81	Mr Matthew Jericho	Spatial Planning Manager Essex County Council	Section 2 Tendring	Yes	No	Consistent with National Policy; Effective	Yes	A change is required to reference ECC role as Local Highway Authority and Local Transport Authority and to the Local Transport Plan prepared by ECC. Reference to ECC's role as Local Education Authority and Lead Local Flood Authority also needs to be mentioned. This may require a rewording of paragraph 1.3.4.1.	Include the following text as additional paragraphs within section 1.3.4 or an amended paragraph 1.3.4.1. Essex County Council is the Local Highway Authority, with a responsibility to manage and maintain the highway network, and the Local Transport Authority, with transport planning responsibilities for the administrative area of Essex. The Essex Local Transport Plan (2011) contains the Essex Transport Strategy (2011) and sets out the 15 year	No	No	Yes	Preferred Options	When the document is submitted for independent examination?; When the Inspectors Report is published?; When the document is adopted?	The part of the Introduction which refers to Essex County Council under part 1.3.4 concerns the Development Plan. The local plan is to be read as a whole and issue-specific parts of chapters concern transport, flooding and education. An intended	Yes	Introduction	To correct omission add new: 7.0.3 The Council will continue to work with its partners to help reduce and prevent flooding and will resist new development which, in terms of flood risk, would not be safe over the lifetime of the development or would be harmful to the wider	1.3.4.1
