Colchester: Return by 5pm 11th August 2017

Policy PP6 is considered to be ambiguous and unreasonable in the form suggested. To date we have experienced the Council's rather dogmatic approach to preventing the re-use and redevelopment of commercial buildings for other purposes where their existing use has become inappropriate through the demands and needs of the business community in the 21st Century. The approach suggested within Policy PP6 maintains this resistance to change, requiring excessive and unnecessary barriers to be overcome, often far beyond a proportionate response to seeking the retention of employment land.

It is suggested at the very least that the policy should be better defined, particularly criteria b which is too simplistic and generalised, and criteria e where no details have been provided of the term of marketing required. 'Prolonged' is considered to be unreasonable and not specific.
