By Planning Services

To Tendring District Council – local plan.

I am writing to object to the plans to build the high number of houses in the Weeley village area of the local plans

Weeley is classed as a rural village, the plans to build in the village

Around homes in the village will ruin this village area.

The area which the planners have allocated for this oversized village development is ill throughout & has not taken into consideration of the local residents who have lived in weeley for its quiet village life.

The village will have building works for years to come which will have disruption & blight. Many residents' lives will be disrupted with noise, traffic, unsuitable Vehicles on small roads, H.G.V.S which will lead to unsafe roads for residents.

The area the planners have allocated is full of wild life,

Barn owls, Bats, grass snakes, hedgehog's, heron's, to name but a few for the local Wild life hunting & breeding in this area.

There are more suitable areas in weeley for this development which

Would not blight so many the residents & work for the local plan.

Yours sincerely Julia Hopgood.
