Dear Sir / Madam,

Manningtree Town Council would like to make the following comment on the Tendring District Local Plan - Publication Draft - Section 1:

Maps: B21 Manningtree, Lawford and Mistley:

Manningtree Town Council is especially supportive of the protection of the green spaces and would like to see them protected in perpetuity. The council would like to keep the three areas of Manningtree, Lawford and Mistley distinct when it comes to their green spaces as they all have very different characteristics.

Please note that I tried to lodge the above comment online but there was no comment box for the maps.

Please can you confirm receipt of this e-mail.

Kind Regards
Line Djuve-Wood
Clerk to Manningtree Town Council
