

GUIDANCE NOTES

& RESPONSE FORM

to accompany the Publication Draft Local Plan (2017)

Please read these guidance notes before completing the response form

Introduction

Braintree District Council, Tendring District Council and Colchester Borough Council, have each published their own Publication Draft Local Plan for consultation. Section 1 is common to each plan. This response form can be used to respond to any part of the 3 Plans. It is important to specify which.

The 3 Plans have been published in order for representations to be made prior to submission of the documents to the Planning Inspectorate for examination. All representations will be examined by a Planning Inspector. The purpose of the examination is to consider whether the Plan complies with the legal requirements, the duty to co-operate and is sound.

Each Local Plan has two parts:

Publication Draft Local Plan Section 1 - A set of strategic policies constructed in partnership between the three authorities and Essex

County Council. This means that the Section 1 policies are intended to apply across all three Local Authorities. These policies include those relating to Garden Communities, housing supply, employment, shopping and the environment. You can send your response to any one of the authorities as all responses to Section 1 will be collated. Only 1 response to the 3 authorities is required.

Publication Draft Local Plan Section 2 - relates to the specific district, contains more detailed policies and is used to determine planning applications. If you wish to comment on the Braintree Publication Draft Local Plan Section 2 you should send your comments to Braintree District Council.

If you would like assistance in completing your representation or have any other questions about the Publication Draft Local Plan please contact the Planning Policy Team by email planningpolicy@braintree.gov.uk or by phone on 01376 552525 and ask for Planning Policy.

Part A - Personal Details

Please note that it is not possible for representations to be considered anonymously. Representations will be published on the Council's websites and included as part of the Publication Draft Local Plan submissions to the Inspector. Address and contact details will be removed from published responses. (Village/town shown).

The Council reserves the right not to publish or take into account any representations which it considers offensive or defamatory.

Please supply an email address if you have one as it will allow us to contact you electronically. Everyone who submits a representation will be added to the relevant consultation database (if not already included) so that we can keep you up to date with the plan. If you do not wish to be contacted in this way please state this clearly on the form.

If an agent or consultant has been engaged to act on your behalf please fill in both sets of details in full. Correspondence will be sent to the agent. If you are a landowner with an agent acting on your behalf, please ensure that your agent knows the site name and reference number which your site has been given.

Part B - Representation

Please specify which section of the Publication Draft Local Plan your comments relate to, by choosing one of the following;

Section 1 A response to this section will be reported to all 3 authorities.

Section 2 Colchester
Section 2 Tendring
Section 2 Braintree } These plans are specific to each authority.

Which part of the plan are you responding to (please use one form per submission):

Paragraph: for a representation on wording or paragraph content

Policy: for a representation on the wording or inclusion or omission of a policy

Other: for example a map inset number, site reference or the wording or content of tables or appendices

Legal Compliance and Duty to Co-operate

If commenting on how the Publication Draft Local Plan has been prepared, it is likely that your comments will relate to a matter of legal compliance.

The Inspector will check that the Plan meets the legal requirements

You should consider the following before making a representation on legal compliance:

- The Plan should be included in the current Local Development Scheme (LDS) and the key stages should have been followed.
- The process of community involvement for the Plan in question should be in general accordance with the Statement of Community Involvement (SCI).
- The Plan should comply with the Town and County Planning (Local Planning) (England) Regulations 2012 (the Regulations). On publication, the LPA must publish the documents prescribed in the Regulations; making them available on its website and at its principal offices. It must also notify the Local Plan bodies (as set out in the Regulations) and any persons who have requested to be notified.
- The LPA must provide a Sustainability Appraisal Report. This should identify the process by which it has been carried out, baseline information used to inform the process and the outcomes of that process.
- LPAs will be expected to provide evidence of how they have complied with the Duty to Co-operate.
- Non-compliance with the duty to cooperate cannot be rectified after the Plan's submission. Therefore the Inspector has no power to recommend modifications in this regard. Where the duty has not been complied with, the Inspector has no choice but to recommend non-adoption of the Plan.

Soundness

Soundness is explained in National Planning Policy Framework (NPPF) paragraph 182. The Inspector has to be satisfied that the Plan is positively prepared, justified, effective and consistent with national policy.

More details and further guidance on what is meant by the term 'soundness' can be found below and at; www.planningportal.gov.uk

Positively prepared

This means that the Plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development.

Justified

The Plan should be the most appropriate strategy when considered against reasonable alternatives, based on a proportionate, robust and credible evidence base.

Effective

The Plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities, sound infrastructure delivery planning and no regulatory or national planning barriers. It should be flexible to changing circumstances

Consistent with national policy

The Plan should be consistent with national policy. Departure must be clearly justified.

If you think the content of the Plan is not sound because it does not include a policy where it should do, you should go through the following steps before making representations:

- Is the issue with which you are concerned already covered specifically by national planning policy? If so it does not need to be included?
- Is what you are concerned with covered by any other policies in the Plan on which you are seeking to make representations or in any other Plan?
- If the policy is not covered, how is the Plan unsound without the policy?
- If the Plan is unsound without the policy, what should the policy say?

Using the spaces provided please give details of why you think the Publication Draft Local Plan is not 'sound having regard to the legal compliance, duty to cooperate and the four requirements set out above. You should try to support your representation by evidence showing why the Plan should be modified. **If your representation is over 100 words please include a summary of its main points in the box provided.**

It will be helpful if you also say precisely **how** you think the Plan should be modified. Representations should cover succinctly all information, evidence and supporting information necessary to support/justify the representation and suggested modification, as there will not normally be a further opportunity to make submissions based on the original representation made at publication.

Where there are groups who share a common view on how they wish to see a Plan modified, it would be very helpful for that group to send a single representation which represents the view. In such cases the group should indicate how many people it is representing and how the representation has been authorised.

All the formal representations received during this stage will be submitted to and considered by the appointed independent Planning Inspector at the public examination on the Plan. The process is likely to include public hearings. The Inspector will determine the most appropriate procedure to adopt to hear those who choose to participate at this stage. If you would like to appear and speak at the hearings, please state this and explain in the space provided why you consider it is necessary that you participate.

Representations can be sent:

- Via the Council's online consultation portal: www.braintree.gov.uk/publicationdraftLP
- Via a representation form which can be downloaded from the website and returned via email to localplan@braintree.gov.uk
- or by post to:

PART B

REPRESENTATION FORM

Please Note: If your representation relates to Section One of the North Essex Strategic Plan / Garden Communities you only need to respond to one of the Local Authorities. All representations received by Braintree, Colchester and Tendring relating to Section One of the Plan(s) will be submitted together.

You do not need to return this form if you have completed a response using any of the Council's online systems for this consultation. Duplicates will not be considered

Please specify which section of the Publication Draft Local Plan your comments relate to by choosing one of the following:

Section 1 Section 2 Colchester Section 2 Tendring Section 2 Braintree

Within the context of our representations to Paragraph 3.2.1.4.2. of the Draft Local Plan, we wish to confirm the availability of two sites for housing development at Thorrington which lie within the freehold ownership of our client, as follows.

Land at Church Road, Thorrington

This site is located to the west of Church Road and extends to 2.45 hectares in area. A plan showing the boundary of the site edged in red is appended to this representation. The site is unconstrained by local and statutory designations and there are considered to be no site specific barriers to development, either in terms of the suitability of the site or the achievability of this. Development of the site is therefore considered to be deliverable.

In light of our comments concerning housing supply and the spatial strategy, it is considered that inclusion of this site within the Thorrington Settlement Development Boundary would make the Plan sound. It is considered that a sensitive development of around 50 dwellings could come forward. We would add that whilst the entirety of the site is available for development, this would also be the case of only a smaller proportion of it, were this to be included within the Thorrington Settlement Development Boundary.

Land at Station Road / Clacton Road, Thorrington

This site is located at the junction of Station Road and Clacton Road and extends to 2.86 hectares in area. A further plan showing the boundary of the site edged in red is appended to this representation. The site is unconstrained by local and statutory designations and there are considered to be no site specific barriers to development, either in terms of the suitability of the site or the achievability of this. Development of the site is therefore considered to be deliverable.

If your representation is more than 100 words, please provide a brief summary here:

Respective sites at Church Road and / or Station Road / Clacton Road should be included within the Thorrington Settlement Development Boundary, as shown on Inset Plan B.27 for Thorrington.

Please specify the changes needed to be made to make the Plan sound / legally compliant

In order to make the Local Plan sound, we propose that the words 'and medium scale' are inserted into the second sentence in paragraph 3.2.1.4.2, after the words 'some smaller scale development'.

Do you wish to participate at the oral part of the examination?

Yes No

If Yes - you wish to participate at the oral part of the examination, please outline why you consider this to be necessary

Respective sites at Church Road and / or Station Road / Clacton Road should be included within the Thorrington Settlement Development Boundary, as shown on Inset Plan B.27 for Thorrington.

Please note the inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

Did you raise the matter that is the subject of your representation with the LPA earlier in the process of the preparation of the Local Plan
