St John's Road, Clacton-on-Sea

The site as shown on the attached plan is a rectangular piece of land located to the rear of properties fronting St John's Road and to the east of the Leisureglades Holiday Park, which is in the same ownership. This site is shown within the development settlement limits for Clacton-on-Sea on the proposed plan.

Following a recent appeal decision to grant planning permission for 14 dwellings at 824 St John's Road (14/00929/OUT), the owner of the site now proposed has secured an option to acquire this land and an adjoining property in order to provide access to the land at the rear. This arrangement has been the subject of discussions with Essex County Council. A new access road will be capable of serving a development of approximately 84 dwellings. Appropriate contamination and ecology studies have shown no issues for the development of this site.

As a result the scheme would meet the comments set out within paragraph 14 of the NPPF in respect of a positive opportunity to meet the development needs of the area. Moreover, the allocation of this site would accord with the core planning principles as set out within paragraph 17 by ensuring the scheme enhances and improves the place in which people live their lives. The proposal is not only sustainable, it is deliverable as required by paragraphs 47 & 49 of the NPPF.
