Colchester: Return by 5pm 11th August 2017

This is a combined objection that applies to Policy PPL6 and HP4.

This objection is an objection to the allocation of land to the south of Rush Green Road, Clacton-on-Sea.

The suggestion in the plan is to provide a limited element of housing on land to the south of Rush Green Road for up to 75 houses, with the remainder to be retained as part of a strategic green gap. To date, the Council has not been able to offer any suggestions as to the use of this land, while providing an arbitrary development limit across the site.

It is suggested that the allocation fails to have regard to the circumstances that apply to this land and does not include a realistic and proportionate allocation of land for housing purposes. A development scheme is currently being developed which will provide significant public benefits for the community, subject to at least 3.6 hectares of housing being allocated for up to 100 dwellings. The scheme also includes substantial public benefits through the provision of a new foot ground for FC Clacton together with the provision of other pitches for junior and youth teams. The settlement boundary as proposed is entirely illogical, together with the purpose of the green gap to which draft policies PPL6 and HP4 apply when considered in relation to the public benefits that could be provided.
