Subject: Local Plan consultation comments

Dear Planning – could you forward this to the Local Plan team please? Many thanks

Consultation response from Great Bromley Parish Council.

-

The Parish Council notes that the draft Local Plan is proposing to remove several Protected Lanes including Little Bromley Road, Mary Lane North, Wick Lane in Ardleigh and Ravens Green. The Parish Council opposes this proposal and requests that they are retained, and the Parish Council also questions the rationale for removal. The lanes are very popular with dog walkers. The section of the draft Local Plan was under Heritage Assets, Table E2.

Kind regards

Lizzie

Elizabeth Ridout
