1. Essex and Southend-on-sea Waste Local Plan - Clause 1.3.4.6

The Essex and Southend-on-sea Waste Local Plan allocates new waste development at Sunnymead, Elmstead and Heath Farms, north west of Alresford, as part of the approved minerals extraction reinstatement plan. However, the Local Plan also identifies Areas of Search to locate further small scale waste management facilities and we cannot accept an expansion of waste processing/landfill over and above that included in the ECC Sunnymead site reinstatement plan.
