Dear Mr Davidson

Re: Tendring District Local Plan - Section 2 Main Modifications

Thank you for consulting Historic England on the Tendring District Local Plan - Section 2 Main Modifications. We welcome the inclusion of the changes agreed through our Statement of Common Ground (Statement of Common Ground between Tendring District Council and Historic England in respect of Chapter 7 Protected Places), February 2021.

We have just one recommendation to make, and that is that Policy PPL8, Conservation Areas, is renamed 'Conservation Areas and Registered Parks and Gardens', to reflect that this policy applies to applications affecting Registered Parks and Gardens as well as Conservation Areas.

Conclusion

Finally, we should like to stress that this response is based on the information provided by the Council in its consultation. To avoid any doubt, this does not affect our obligation to provide further advice and, potentially, object to specific proposals, which may subsequently arise as a result of this plan, where we consider that these would have an adverse effect upon the historic environment.

If you have any questions with regards to the comments made, then please do get back to me. I would be very happy to meet to discuss these comments further. In the meantime, we look forward to continuing to work with you and your colleagues.

Yours sincerely,

Andrew Marsh
