**Written Statement**

**Anglian Water Services Ltd**

**JANUARY 2021**

### **5.3 Safeguarded Local Greenspace (HP4)**

#### **Do the Local Green Spaces shown on the policies map meet the criteria for designation set out in paragraph 77 of the NPPF? How have they been justified**

Land in the ownership of Anglian Water located at Ardleigh Water Treatment Works to the north of Clover Way has been designated as a local green space. The land at Ardleigh Water Treatment works has limited access and there is no specific parking as such we do not consider it meets the criteria for designation and the Council has since confirmed that this land is shown incorrectly on the policies map.

The Council's proposed modification to remove this designation would address Anglian Water's comments. The modification is set out in the agreed Statement of Common Ground and is therefore fully supported.
